Dear Neighbour,

Re. 260 High Park Ave. (former Alhambra Church)

On behalf of the Trac Developments Inc., we would like to invite you and other adjacent property owners to an information meeting to show you the changes we have made to our plans for 260 High Park Ave.

Since the Community meeting last June, our design team, in consultation with City planning and Heritage staff, have been hard at work incorporating comments that have come from all concerned parties. We believe that our current plan addresses all of the major concerns brought forth from City staff, as well as the local community.

We will be hosting this event at 7:00 pm on Tuesday May 16th, 2017 at the Baka Gallery Café, located at 2256 Bloor Street West, at Beresford Ave. (bakacafe.com Tel. 416-766-2252).

Light snacks and refreshments will be served, and seating is limited. Please RSVP to admin@mcgconsultants.ca, or contact our administrative assistant, Neda Koljuskov, at 647-495-6892 x 107.

We are excited to show you the new look of 260 High Park Ave., and hope to see you on May 16th.

Yours truly,

Chris Giamou, President
MCG Consultants Inc.
